Memoirs relating to the life of Shaftesbury During Lockes later years, the third Earl of Shaftesbury, anxious to vindicate his grandfathers reputation, commissioned Locke to write a biography of the first Earl. Locke did some research and made a few notes, but did not progress far. The notes were published by King and Collins in 1706; a French version was published by Le Clerc in 1705. Memoirs relating to the life of Anthony first Earl of Shaftesbury. To which are added, three letters writ by the E. of Shaftesbury while prisoner in the Tower; one to King Charles II. another to the Duke of York and a third to a noble lord; found with Mr. Lockes Memoires. Observations upon the growth and culture of vines and olives During his stay in France (1675-1678), Locke had filled his notebooks with observations. He was particularly interested in the agriculture of southern France. On his return to England, he drew up a set of Observations on the growth and culture of vines and olives for Shaftesbury. The manuscript was published in 1766.
