

The Writing Prompts Workbook, Grades 7-8: Story Starters for Journals, Assignments and More (The Writing Prompts Workbook Series 4)

Save 45% or more off the paperback cover price! And get an editable and printable workbook absolutely free. This collection of 200 creative writing prompts will help your students/children grow their creativity and imagination. With this download, you get the book in Kindle format, as well as an editable, printable PDF. You can print the PDF to use it like a typical workbook or type in responses on a laptop, a desktop or an iPad with a free PDF-viewing app! Finally, you have the flexibility you need to help your students to love writing. The book can be used for journals, assignments, poems, conversations, songs and more. Here are some examples from the book: If you could fast forward ahead or rewind backwards to any point in your life, when would it be and why? Be very detailed about how you deal with this second chance or sneak peak. You have just won a great sum of money from the lottery to be divvied out in \$1,000 increments each week for the rest of your life. What will you do with this newly added income? Describe your first year with this exciting addition to your life. You have been given a magical pad of paper that makes everything that is written on it become reality. What do you write and what is your reasoning behind it???? What Are Parents and Teachers Saying? I am totally excited about these books and what they have done for my children! I would HIGHLY recommend them! They actually can be tons of fun if you do it with your kids! Tony, 5-star Amazon review. Once again, Bryan Cohen has created a book which will be useful for classroom teachers, homeschools and parents who want to encourage creative thinking and writing, Jan, 5-star Amazon review. Bryan does a fabulous job with ALL of the writing prompts he creates. These prompts make creative writing lessons fun and most importantly, easy. K, 5-star Amazon review. (These prompts) started a couple of

really neat conversations with the family - not only mom, dad, and kids - but grandparents, etc. What a neat tool these books will be to add to our homeschool curriculum, Heather, 5-star Amazon review. Whether you have a child who can't get enough to write about, a writer who is reluctant to write, simply stuck, or you have a child who just wants something fun to write about, this is your book, Robin, 5-star Amazon review. Save 45% and develop your kids' creativity! Scroll up and buy the book today.
