

Gale Force (Weather Warden, Book 7)

Weather Warden Joanne Baldwin is on vacation when her Djinn lover, David, asks Joanne to marry him. She's thrilled to say yes, even if some others may be less than happy about it. Unfortunately, Joanne's pre-marital bliss is ended by a devastating earthquake in Florida. And she can't ask David and his kind for assistance. Because the cause of the quake is unlike anything Joanne has ever encountered and a power even the Djinn cannot perceive.
